

5019 Settlement Drive

Settlers Crossing

FABULOUS CUSTOM HOME on almost 2 ACRES and includes a 1200sf Barn/Shop, and a garden house adjacent to your private garden. The back patio is covered and spacious with an extended uncovered area, and ready for your custom outdoor kitchen. Beautiful high ceilings adorn the home for an open concept living space, with a split bedroom plan. The office and bonus room are spacious and could easily be used as additional bedrooms or for his and her spaces. Come enjoy country living with low taxes, just minutes from I-10.
