

JASON LAIRD, REALTOR

WHAT DO YOU LOVE ABOUT YOUR HOME AND NEIGHBORHOOD?

I like how the neighborhood is friendly and fairly safe, compared with other parts of town!

I like being a part of the Facebook group page - we're asking questions and getting answers.

I love that in the 14 years I've been living here, no flooding damage!

I also love all the room and storage here! (You can get rid of your storage unit!)
