

## THINGS I LOVE ABOUT MY HOME & NEIGHBORHOOD

*Per the seller of* **9006 AUTUMNSONG DR., HOUSTON, TX 77064**

- The split living space, with my children's bedrooms on one side of the house and mine on the other side.
- My neighbors! Everyone is there for one another!
- My recently updated kitchen. It's such a great size and overlooks the front yard and mature trees.
- My recently updated secondary bath with walk-in shower with subway tile backsplash, and the updated vanity and flooring.
- It's a great neighborhood. We've lived in our home for 22 years. I'm so thankful that it has never flooded and we've never really had any heavy impact from any storms.
- Great amenities in our neighborhood including the swimming pool with a diving board and slide, the tennis court, the park and the covered pavilion and patio area.
- Minutes away from Willowbrook Mall, Chic-Fil-A, What-A-Burger, and several other restaurants of so many varieties: Vietnamese, Chinese, Mexican, Indian and many others.
- I love where we're located. We're close to BW-8, 290, I-10 and Bush Intercontinental Airport!
