30' x 45' Shop was built in 2006 or 2007 and has a 17' x 16' air-conditioned room with a ½ bath which is currently being used as an office. This space could be turned into an additional living area. Shop was built on an engineered slab with bell bottom piers and has a 20' overhang offers additional covered parking.

The fireplace can burn wood and is plumbed to install gas burning logs. The fireplace is bricked all the way thru the roof.
