

DANA JOHNSON

370 Tealwood Drive

Neighborhood Details

*Discover the Charm of Our Neighborhood: A Vibrant Community, Friendly Neighbors, Beautiful Parks, Excellent Schools, and Convenient Amenities Await You!*

- Tealwood installed video cameras in the entries to the neighborhood that connect to the police department for extra security this year.
- Tealwood has become an incredible family friendly neighborhood. There are tons of new families and a lot of kids. There is a GroupMe for the Tealwood ladies (45 members as of today) that is super active with recommendations for all sorts of things. There is a monthly supper club and a monthly Bunco night and a wonderful annual Halloween Block party so tons of opportunities to socialize apart from what happens naturally as you meet friends walking around.
- Everyone is super friendly. We have the best neighbors next door on Tealwood with 3 young kiddos and on the other side of Longworth, a wonderful family with 3 kiddos, one in elementary and 2 in middle school.
- Perfect walking distance or bike ride to Frostwood Elementary which has been the most wonderful school.
- An important note about FWE: Even if the district announced that there will be no librarians or counsellors next year; the PTA has already announced that both of these positions will be covered by them so FWE will maintain these two magnificent ladies and everything else the incredible PTA funds from playground equipment to the most caring and wonderful Reading and Math Specialists to all the incredible events like IFEST that make this school special.
