

List of upgrades:

- All new insulated windows
- New cabinets in kitchen and bathrooms
- Added island in the new kitchen design with power ran to it
- Front and back exterior doors replaced
- All exterior brick replaced with a stoneledge on bottom at waist height and hardi siding up to the soffit.
- New sheetrock and texture all throughout the house.

This was a full gut job but owner ran out of money and lost interest in it due to her daughter not wanting to stay in town.
