238 Sky Oak Lane

Lot 76A, Block 23, Section 7 of Texas Grand Ranch - Acres 4.00 E.T.J.

Displaying another address on your mailbox or property front may lead to confusion and delay of any Emergency personnel responding to a call to help you or your neighbors.

You will need to notify your telephone service provider of your correct address. Make sure to make it clear to your phone company that this is the service address for the site requested. This needs to be done to assure that your correct address will appear on the EMS dispatch computers in case of an emergency.

If you are planning to develop or build at this address, a Development Permit is required. The following packet contains all the information needed to pull said permit.

If you have any questions, please call the Walker County Department of Planning & Development at (936) 436-4939.
