Important payment and other information

Here is some additional, helpful information related to your coverage and paying your bill:

- ▶ You purchased our Enhanced Package as part of your policy, which provides you with the following benefits:

- **Claim RateGuard®**

This feature will help you keep your discounts and avoid a premium increase in the unfortunate event that you have a claim. If you file a claim to which we apply the Claim RateGuard® feature, you will not lose the Claim Free Discount, if you already have that discount on your policy.

- **Claim-Free Bonus**

For every designated twelve-month period that your policy is claim-free, you will earn a Claim-Free Bonus credit of up to 5% of your current policy's premium, which you can apply toward your next renewal premium. If your policy does not renew, we will apply the credit amount to any outstanding premium balance and any remainder refunded to you.

- **Deductible Reward**

For every designated twelve-month period that your policy is claim-free, you will earn a Deductible Reduction Amount of \$100, which can be used to reduce the amount of your deductible (up to a \$500 maximum). We will reduce the Deductible Reduction Amount if it is used to reduce your deductible for one or more covered losses. If the Enhanced Package is removed from your policy, any accumulated Deductible Reduction Amount will no longer be available for losses occurring on or after the date the Enhanced Package was removed from your policy.

Deductible Reward - Deductible Reduction Amount available is \$500.00.

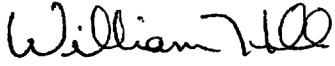

- ▶ Coverage A - Dwelling Protection Limit includes an approximate increase of \$2,166 due to the Property Insurance Adjustment provision. Coverage B - Other Structures Protection and Coverage C - Personal Property Protection adjusted accordingly.
- ▶ Do not pay. Mortgagee has been billed.

Your Estimated Home Replacement Cost

Allstate has determined that the estimated cost to replace your home is: \$264,604.

We based your estimated cost on information provided by you and selected data that was available to us, which is described in the "Insured property details" section of your Declarations Page. Please review all the information in this section to ensure the accuracy of the information used to determine the estimated replacement cost of your home.

The enclosed Declarations Page shows the limit of liability applicable to Dwelling Protection-Coverage A of your homeowners insurance policy. The estimated replacement cost of your home is the minimum amount for which we will insure your home.

The decision regarding the limit applicable to your Dwelling Protection-Coverage A is your decision to make, as long as, at a minimum, your limit equals the estimated replacement cost as determined by Allstate and does not exceed maximum coverage limitations established by Allstate.

It is important to keep in mind that your Coverage A limits reflect a replacement cost that is only an estimate based on data that was available to us when we made this estimate (this information is described in the "Insured property details" section of your Declarations Page). The actual amount it will cost to replace your home cannot be known until after a covered total loss has occurred. Please keep in mind that we do not guarantee the adequacy of the estimate to cover any future loss(es).

How Is the Replacement Cost Estimated?

Many factors can affect the cost to replace your home, including its age, size, and type of construction. For example, the replacement cost uses construction data, such as labor and materials, that are available to us when we made this estimate. This estimate is also based on characteristics of the home, which include information that you provided to us. You might have chosen to insure your home for a higher amount than the estimated replacement cost shown above.

Note to Customers Renewing Their Policy

The estimated replacement cost for your home may have changed since the last time we communicated this information to you. This is because, at renewal, Allstate uses the home characteristics that you have provided to us to recalculate and update the estimated replacement cost. Using updated labor and material rates for your zip code, Allstate takes the home characteristics you have provided and determines the updated estimated replacement cost. The information about your

home's characteristics is provided in the "Insured property details" section of your Declarations Page.

Please note: Your Dwelling information is used to estimate your home replacement cost. It's important to review and update this information so we're using the most accurate details to estimate your home's replacement value.

If the information about your home shown in your Declarations Page requires any change or if you have any questions or concerns about the information contained in this Important Notice, please contact your Allstate representative, or call us at 1-800-ALLSTATE.

Additional Information About Dwelling Protection Limits

Your policy includes a feature called "Property Insurance Adjustment" (PIA). PIA reflects changes in construction costs in your area that may have occurred during the policy period.

We would like you to know that your policy's PIA recently indicated that construction costs in your area have increased. Based on this information, we have automatically increased your Dwelling Protection-Coverage A limits.

However, it is ultimately your responsibility to consider whether the changes we have made are sufficient for your insurance needs. It is important for you to understand that these are only estimates and the new limits of your policy may not provide sufficient coverage in the event of a loss. For example, if you have done any remodeling to your home which has not been updated in our records, your home's replacement cost may be higher than our current records indicate. In that case, you may want to increase your limits to reflect such changes. Conversely, there is a possibility that your new limits may provide coverage in excess of the actual replacement cost of your home. For example, if you originally decided to insure your home at an amount that exceeded the estimated replacement cost, you may want to call your Allstate representative to discuss the current value of your home and the possibility of lowering your limits.

If you have any questions about PIA, or your policy in general, please contact your Allstate representative.

Information Regarding Flood Damage Coverage

Policy number: **844 296 429**
Policy effective date: July 7, 2024

Texas law requires that we provide you with this notice regarding flood damage coverage.

Please read this notice carefully. In addition, it is important to read all of your property policy documents to confirm the coverage your policy provides.

NOTICE

- **Flood Insurance: You may also need to consider the purchase of flood insurance. Your insurance policy does not include coverage for damage resulting from a flood even if hurricane winds and rain caused the flood to occur. Without separate flood insurance coverage, you may have uncovered losses caused by a flood. Please discuss the need to purchase separate flood insurance coverage with your insurance agent or insurance company, or visit www.floodsmart.gov.**

If you have any questions about this notice or your policy coverage, you can contact your Allstate Agent or representative, call 1-800 ALLSTATE® (1-800-255-7828), or visit www.allstate.com. We're here to help!

Please Check Your Policy Coverage Limits

When we first issued your Allstate policy, you selected specific coverages and coverage limits to protect your property. However, your property's value may have changed since that time. We'd like to remind you that it is your responsibility to carefully review your coverages and coverage limits at each policy renewal and make sure they provide you with adequate coverage.

Please take a few minutes to review your policy. If you have any questions about your insurance coverage, or if you wish to change your policy limits, please contact your Allstate representative.

Additional Protection for Your Most Valuable Possessions

Property insurance covers many belongings, but some items may require higher coverage limits than those in a standard property policy.

Scheduled Personal Property (SPP) coverage gives you additional protection against loss or damage to your valuables. It's protection not typically provided with standard property coverage. SPP benefits typically include:

- No deductibles to meet
- Coverage for lost or damaged items
- Coverage for valuables kept in a storage location outside your home

Items That May Need the Extra Protection

SPP coverage provides protection for an array of valuable personal property. Here are some of the items you can protect by purchasing SPP coverage through Allstate:

- Jewelry (including wedding rings and precious or semi-precious stones)
- Furs
- Cameras (digital, still, movie, video and related equipment)
- Silverware and antiques (including furniture)
- Musical instruments
- Collections (stamps, coins, music)
- Fine art works (including paintings, etchings, vases and sculptures)
- Manuscripts or books
- Home-office equipment (laptop, computer, audio/visual)
- Sports equipment (such as golf clubs)

Affordable Protection for Your Valuables

The cost of SPP coverage varies, but the value of your property is the best way to determine how much coverage you need.

The rates are generally a small percentage of the total value of the items you're insuring. This means that your valuables are being protected for only a fraction of the cost.

Regularly Review Your SPP Coverage

Even if you currently have SPP coverage, it's a good idea to review it annually. It's possible that the value of your property has changed or that you've purchased new items that have not been added to your coverage.

What You Should Know About Flood Insurance

Most homeowners, renters and commercial insurance policies do not provide coverage for flood damage. In fact, protection against floods is generally available only through a separate policy.

That's why Allstate is a participant in the National Flood Insurance Program (NFIP) and offers standard flood insurance policies.* A flood insurance policy can help complete the insurance protection for your property and help protect your financial well-being.

You May Have More Risk from Flood Than You Think

Approximately 90 percent of all disasters in the U.S. are flood related. While you may think that it couldn't happen to you, over 25 percent of all flood losses occur in low- to moderate-risk areas.

What's more, flood damage is often accompanied by other damage, such as wind and hail (which is typically covered under a property policy). So if you purchase your NFIP coverage through Allstate, you would have the convenience and peace of mind that comes with working with just one claim adjuster and one agent, instead of two or more for a flood claim.

Flood Coverage Is Affordable

The federal government sets the rates for flood insurance, so there's typically no difference in rates from policy to policy. You can switch to an NFIP flood insurance policy administered by Allstate for the same amount of premium you may be paying elsewhere. If you choose Allstate, you can have the quality service you've come to expect from us.

For more information about flood insurance, or if you have any questions about your policy in general, please contact your Allstate representative or visit us at allstate.com.

* Allstate provides the standard flood insurance policy under the terms of the National Flood Insurance Act of 1968 and its amendments, and Title 44 of the Code of Federal Regulations. The standard flood insurance policy is written by Allstate for the National Flood Insurance Program which is administered by the Federal Insurance Administration, part of the Federal Emergency Management Agency.

Important Information About Your Deductible Reward

You have reached the maximum Deductible Reduction Amount of \$500, as reflected on your Policy Declarations.

Please remember that if you have a claim and the Enhanced Package is still part of your policy, the Deductible Reduction Amount indicated on your Policy Declarations at the time of your loss can reduce the amount of your deductible, less the amount of Deductible Reduction Amount(s) applied to other claims prior to the time that claim is settled.

If you have any questions about the Deductible Reward feature, or any other aspect of your insurance policy, please contact your Allstate representative. The Deductible Reward feature is subject to terms and conditions.
