

PERRY HOMES™

Designer Series

DESIGN 2797

This Designer Series home contains 2,797 square feet and includes three bedrooms and two full baths.

This spacious home features a bonus game room and library on the second floor.

The tiled ENTRY leads into the formal DINING ROOM which is beautifully enhanced by sparkling chandelier lighting, and a raised mansard ceiling accented by crown moulding.

The well-planned KITCHEN features a convenient island work center/breakfast bar, a shelved pantry, custom-built cabinetry, and a sunlit MORNING AREA.

Ideal for relaxing, the central LIVING ROOM provides a solid masonry fireplace, a custom-built mantel, built-in desk and bookshelves, and a refreshing overhead fan.

The MASTER BEDROOM is secluded for privacy and features a ceiling fan and rich crown moulding. The luxurious MASTER BATH provides a soothing six-foot tub, a separate glass enclosed shower, his and her walk-in closets, and a dual-sink vanity that contains a make-up desk and cosmetic drawers.

The upstairs GAME ROOM is perfect for casual entertaining. A nearby LIBRARY offers homeowners a quiet retreat that can be used as an office or a crafts room.

This home also includes two secondary BEDROOMS, a full BATH, two WALK-IN STORAGE CLOSETS, and two COAT CLOSETS.

Not included: inside keyed deadbolt locks, refrigerators, music systems, furnishings, drapery, live plants, decorator items and all other personal property being used in model homes. Builder reserves the right to make changes in the plans and specifications, and to substitute material of similar quality. Room dimensions indicate approximate inside area measurements.
