Dear Policyholder,

According to our records, your flood insurance policy is about to expire on the date shown above. Maintaining flood insurance is the most important thing you can do to protect against the devastating cost of flooding. To ensure continuous coverage, your payment must be received within 30 days of the policy expiration date. If your policy lapses, your property may not be covered and could become ineligible for certain premium discounts in the future.

If you are responsible for submitting the policy premium, you may contact your agent or call our toll-free number at 1-866-511-0793. You may also send a check or money order to the address on this notice. If your mortgage lender pays your policy premium from an escrow account, we recommend that you confirm payment has been received.

If you have already made your payment, please disregard this notice.

Thank you for allowing Progressive to service your insurance needs. We appreciate your business!
