

NOTICE TO PURCHASER OF SPECIAL TAXING OR ASSESSMENT DISTRICT

The real property that you are about to purchase is located in the Cimarron Municipal Utility District (the "District") and may be subject to District taxes or assessments. The District may, subject to voter approval, impose taxes and issue bonds. The District may impose an unlimited rate of tax in payment of such bonds. The current rate of the District property tax is \$0.28 on each \$100 of assessed valuation.

The total amounts of bonds payable wholly or partly from property taxes, approved by the voters are:

\$50,670,000 for water, sewer, and drainage facilities; and

\$6,000,000 for refunding bonds.

The aggregate initial principal amounts of all such bonds issued are:

\$48,980,000 for water, sewer, and drainage facilities.

The District has entered into a strategic partnership agreement with the City of Houston. This agreement may address the timeframe, process, and procedures for the municipal annexation of the area of the District located in the municipality's extraterritorial jurisdiction.

The purpose of the District is to provide water, sewer, drainage, flood control, parks and recreational facilities and services. The cost of District facilities is not included in the purchase price of your property.
