3 visits per year - one every 4 months

This is to Certify that the above RESIDENTIAL sewage system has a RENEWED inspections agreement for on site sewage facilities with (3) visits per year as required.

Inspection reports by the above service company will be filed with the authorized agency as required by the TCEQ regulations. A weather proof tag or label will be attached to the controller showing the month that each inspection was made.

Items included on the Inspection Report generally include aerators, filters, irrigation pump, air compressor, disinfection device, chlorine supply, OK System light, spray field vegetation, probe, sprinkler or drip backwash. We will visit your site within 48 hours of you notifying us of a problem.

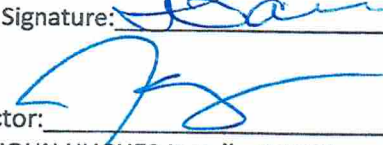

CONTRACT IS NON-REFUNDABLE BUT WILL BE TRANSFERRED IN THE EVENT OF A NEW HOME OWNER

John Hughes is certified by the manufacturer of your system. Our physical address is 115 CR 291 A, Alvin, TX 77511

This agreement does not include the cost of repairs, parts, extra visits, pumping or chlorine. The OWNER is responsible for keeping chlorine (Calcium Hydrochlorite-properly labeled for wastewater disinfection) in the chlorinator as well as the cost of the chlorine. The OWNER is also responsible for maintaining the spray field area.

This agreement does not include BOD & TSS testing. If the authorizing agency requires such testing there will be an additional charge.
