Potential Buyers also want to know about the neighborhood and the neighbors! Tell them about kids, special events, or anything you think is positive about this neighborhood.

- West Neighbors - Ticky that way!
- Everyone starts looks out for each other -
- Great place to go for walks, close to park if you want to avoid just streets.
- A favorite of mine was when a young girl came around and was asking for address numbers! Her dad was with her, so cute & thoughtful (from the neighborhood)
- Proximity to shopping & stores
