

Rare opportunity to purchase a corner unit with unobstructed views of downtown and the tree tops of River Oaks. The apartment features a wrap-around balcony with views looking over River Oaks toward downtown. This lovely unit was tastefully remodeled and designed by a local designer. The living room features custom-built cabinets with bookshelves and beautiful parquet hardwood floors. The primary bedroom features wool Stark carpet, Clarence House wallpaper and custom curtains in designer fabric. The primary bath features a marble countertop and closets installed by Programme Martin Closets. The secondary bedroom/study includes a custom desk with file drawers and built-in bookshelves. The hall bath also features a marble countertop and Stark carpet. The kitchen features include a Sub-Zero refrigerator (installed in October 2023) and a wall of glass front custom upper cabinets and beautiful views over the trees. A bonus room off the kitchen includes floor to ceiling cabinets and could be used for storage, bar, pantry or office. The Willowick offers a doorman, security, recently remodeled catering kitchen and party room, guest rooms, workout and laundry rooms, pool, outdoor grill, dog walk area and much more. These corner units rarely come on the market. Don't miss this opportunity to live the carefree and easy lifestyle at the Willowick.
