

Upgrades & Highlights

28119 Knight Peak Drive

- ❖ Plantation Shutters (dual opening) throughout most of the home ~ this classic style elevates the home's aesthetic to a new level, along with adding extra energy efficiency.
- ❖ Wood-look plank tile floors ~ upgraded throughout the home to flow seamlessly, adding to the spacious feeling of the amazing floorplan. No carpet in the home ~ easy maintenance.
- ❖ Updated powder bath ~ artisan hand-carved wooden cabinet from Indonesia with custom-cut glass to fit top, stunning hand-painted and glazed ceramic bowl sink from Mexico, beautiful brassy gold fixtures, and unique Venetian-plastered walls to bring in warmth.
- ❖ Large kitchen island painted in a stunning contrasting color ~ including an upgraded Samsung stainless steel dishwasher.
- ❖ Grayson cabinet pulls and knobs in kitchen, primary bath, and second full bath.
- ❖ Extended Back Patio sealed with special painted concrete, natural gas hookup, and lots of room for entertainment.
- ❖ Whole-home water softener and water filtration system.
- ❖ Landscape irrigation system front and back.
