

Chase Homebuyer GrantSM

Helping make homeownership easier with \$5,000 for eligible homebuyers

We want every homebuyer to have a great homebuying experience. In addition to one-on-one service and dedicated support, we offer grants such as the exclusive Chase Homebuyer Grant.¹

This grant, offered only through Chase, can help buyers save money at closing. In select areas across the country, it provides \$5,000 to be used on a new home purchase to qualifying customers.

How the Chase Homebuyer Grant works

- Grant funds are first applied to lower the interest rate
- Funds are then applied to Chase fees or other fees
- Remaining funds can be applied toward the down payment on applicable loans
