WHAT I LOVE ABOUT MY HOME

- We absolutely love the open concept and the seamless flow between the kitchen, dining, and living room. It creates a warm, inviting space that's perfect for both everyday living and entertaining.
- We love hosting family and friends for dinners and celebrations. The kitchen is truly the heart of our home—designed for entertaining and filled with great memories.
- Our backyard is our private escape. With no rear neighbors, it feels like a peaceful oasis—perfect for morning coffee or unwinding after a long day.
- Being *Zwink Zebras* has been such a joy! Zwink Elementary is right at the front of the neighborhood—just a short walk away—which has been so convenient for our family.
- As a mom of three, one of my personal favorite retreats is the large soaking tub in the primary bathroom. Even a 20-minute soak feels like a mini spa day!
- Summers are our favorite! The neighborhood pool is a fantastic spot to cool off, relax and make memories. We've had countless days there enjoying picnic lunches or having pizza delivered poolside.
- The location can't be beat! With quick access to 99, we're able to get almost anywhere in no time.
