

Home Features

3193 Cantando Way

These sellers spared no expense in creating a home that blends everyday comfort with elevated living:

Bi-fold sliding doors opening your living spaces to the outdoors in style

Whole-home generator (wired & ready) for true peace of mind (generator negotiable)

3-car oversized garage with ½ bay storage, epoxy flooring, Tesla charger, and tankless water heater

Spa-like primary bath retreat with upgraded shower tile to the ceiling, framed mirrors.

Bay windows in the primary suite for added natural light

Upgraded GE Chef Series appliances, including double ovens—a chef's dream kitchen

Upgraded kitchen cabinetry & custom trim details, plus a convenient pullout garbage can at the sink

Granite-sealed farmhouse sink

Mahogany front door with keyless entry

Tile flooring throughout main living areas for durability and style

Entry hall closet is 'water ready' for an easy half-bath expansion down the road

Oversized primary closet for maximum organization

Prewired 7.1 surround sound system—movie nights elevated

Full security system

8-foot interior doors throughout the home

Ceiling fans in every room for year-round comfort

Sprinkler system to keep your landscaping lush and easy to maintain
